We are a Christian, cross-denominational, not-for-profit peacemaking ministry. We strive to build peacemakers for life.

We help individuals, organisations and communities learn life-changing biblical peacemaking principles and build cultures of peace. Our vision is to see vast numbers of people passionately living and sharing Jesus' promise: "Blessed are the peacemakers".

About our training

We all need help with conflict in relationships. But we've rarely been taught how to bring peace. Our training courses will give you the peacemaking tools you can apply to a range of contexts, enabling new hope to be brought into relationships.

101. Everyday Peacemaking

This first course will help you focus on what God is doing in your everyday relationships and help you be someone who makes peace rather than fakes it or breaks it!

In this training you will:

- understand the biblical foundations of peace and reconciliation
- learn a simple framework for understanding and dealing with conflict
- gain powerful peacemaking and relational tools
- learn how you can begin supporting and building a culture of peace in your community/spheres of influence.

102. Heart of Peacemaking

This training reinforces the foundational principles but also:

- gives an insight into how our heart impacts conflict and how we can respond more constructively than we often do
- provides an opportunity to practice how to have difficult conversations with others
- explores the important issues of grieving and lament
- builds on the concept of building a community of peace.

The Everyday Peacemaking course is a prerequisite for undertaking the Heart of Peacemaking course.
